Dear Felicity,

I am writing first of all to thank you for the support that you have provided for us over the months, both by using our services, or with donations. This, during the continuing shortage of footfall for various reasons, has proved invaluable to us, and I hope that our service has worked well for you too.

I would also now like to ask you for another favour. You know, I'm sure, that we do have an online shop at www.trianglechristianshop.org.uk. This now contains over 9000 items, from cards, through liturgical products to gifts and bibles and books.

It would greatly help its visibility if you could kindly place a link to it on your website. Perhaps you could label it as "Your local Christian shop - online link" or "Your local Christian shop - also online - over 9,000 items!" Or "Excellent local Provider of Christian Resources" or, of course, anything with your own wording! You might also mention that we do 'click and collect' as many of your members will obviously be local.

This would be of great help to us, and if your webmaster needs some guidance, they can contact Derek at webmaster@thetriangle.org.uk, who will be able to help you

With very many thanks, and blessings,

Paul Taylor
General Manager
